SUBJECT INDEX

Association of British Travel Agents, restrictive trade practices 1
Clothing, ambient temperature and comfort 217
Clothing, attitudes and beliefs of professional home economists 129
Clothing, consumer spending on designer jeans 145
Clothing, survey of consumer satisfaction before and after garment care 153
Comparability of products, 'balance sheet' and 'marketbasket list' in consumer research 299
Consumer information and rights, mail order catalogues 293
Consumer information systems in videotex, car purchases 183
Consumer knowledge and attitudes of Kenyan college students 73
Consumer protection, ABTA and restrictive trade practice legislation 1
Computer-assisted consumer information system, automobile purchases 183
Design, aesthetic rules in women's apparel 169
Detergent damage of cotton, oxidation reaction of sodium perborate 333
Detergents, performance evaluation at 40°C 55
Diet, fat reduction, effect of composition regulations in the U.K. 17
Dress and stereotypes of attractiveness 351
Economics, household economics, and their interrelationships 273
Education, consumer knowledge of Kenyan students 73
Education, teaching science in a home economics degree course 263
Employment status and satisfaction with household management, of Mexican-American wives 320
Energy conservation, waterless cooking of vegetables 305
Fish, consumer preferences for 243
Food consumption in Britain, post-war trends 199
Food preparation, effect of waterless cooking on energy consumption and nutrient retention 305
Food preparation, quality of frozen vegetables cooked by boiling water, steam and microwave 83
Grocery prices, unit price comparisons of small and 'economy' items 121
Home economics and science education 263
Housing, consumer evaluation of 313
Household and child care responsibility, factors determining 101
Household economics, old and new theories 273
Household finances, factors associated with disagreement over expenditure 33
Household management, satisfaction of Mexican-American wives 320
Household production, time-use, trends in the U.S.A. and Japan 283
Household work division, satisfaction with 61
Housing, purpose-built for the elderly 229
Interest rates for automobile loans in Toronto 97
Laundering, consumer attitudes towards energy use and soil removal 251
Laundering performance of four detergents at 40°C 55
Mail order catalogues, information disclosure in the U.S.A. 293
Marketing, quantity surcharges on groceries 121
Nutrition standards, fat in U.K. diet 17
Nutrition, waterless cooking of vegetables 305
Perception of physical attractiveness, influence of dress 351
Price comparison, methodology of 299
Sensory hand, subjective assessment of fabric comfort 339
Sociological aspects of food consumption in the U.K. 199
Textiles, cotton damage due to sodium perborate in detergents 333
Textiles, fabric comfort assessment 339
Tourism, ABTA and the restrictive trade practices court decision 1
Women's apparel, aesthetic rules 169
Women's dresses, satisfaction with 153

Williams, F.L. and *Berry, R.* Intensity of family disagreement over finances and associated factors 33

CONTENTS

NUMBER 1, MARCH 1984

1 ABTA, the consumer and the restrictive trade practices court decision
T. T. Jones

17 Reducing fat in the U.K. diet – some legislative factors
S. J. Fallows and J. V. Wheelock

33 Intensity of family disagreement over finances and associated factors
Flora L. Williams and Ruth Berry

55 Home laundering Part II. A laboratory evaluation of the washing performance of four detergent products at 40°C
P. Carty

61 Husband–wife division of labour and quality of family life
Karen P. Goebel and C. B. Hennon

73 Consumer knowledge and attitudes of Kenyan (Africa) college students
Ruth H. Lytton, E. T. Garman and Naseem Machooka

83 Sensory comparison of prepared frozen vegetables processed by microwave and conventional methods of blanching
R. H. Lane, Milla D. Boschung and M. Abdel-Ghany

95 Report of the Home Economics Research Conference, Cardiff

NUMBER 2, JUNE 1984

97 Interest charges for automobile loans in metropolitan Toronto
A. F. Jung

101 Factors related to household and child care task responsibility of spouses in Houston, Texas
Carol L. Wheeler

121 The frequency of quantity surcharges: replication and extension
Rosemary Walker and Brenda Cude

129 The clothing attitudes and activities of home economists employed in business
Lynne Richards and Patricia Horridge

145 Consumer spending on designer jeans: a classical conditioning model
Sharron J. Lennon

153 Dimensions of satisfaction with purchases of women's dresses: before and after garment care
Sally K. Francis and Lois E. Dickey

169 Aesthetic rules in women's apparel: empirical fact or fantasy
Elizabeth D. Lowe

NUMBER 3, SEPTEMBER 1984

183 Consumer information systems in videotex: design and acceptance
K. G. Grunert
199 Sociological aspects of food behaviour: an analysis of recent trends in Britain
M. P. Hornsby-Smith
217 Clothing, ambient temperature and comfort – II
R. J. Irving, A. Okukubo and T. Sakai
229 Purpose-built retirement housing for sale
M. Parry and S. Baker
243 Consumer preferences for fresh white fish species
Morag Hamilton and R. Bennett
251 Consumer attitudes towards level of soil removal and energy use in the laundering process
N. L. White, H. H. Prato and M. A. Morris
263 Teaching science in home economics: can science education research help?
M. S. Byrne

NUMBER 4, DECEMBER 1984

273 Household economics and economics
Klaus Hesse
283 Household production: a conceptual model for time-use study in the United States and Japan
Vicki R. Schram and Jeanne L. Hafstrom
293 Information disclosure in mail order catalogues
Brenda Cude and Rosemary Walker
299 Comparing apples and oranges
Robert Sommer
305 Waterless cooking – influence on energy consumption and nutrient retention
C. S. Martinsen and J. G. Ostrander
313 Market values estimates of quantitative and qualitative attributes of houses
Mohamed Abdel-Ghany
319 Mexican-American wives' satisfaction with resource use as influenced by employment status
Peggy S. Berger
333 The effect of the oxidation reaction of sodium perborate on the damage to the cotton during washing
Aili Jokelainen and Tarja Kujala
339 Subjective assessment of fabric comfort by sensory hand
Soae L. Paek

351 The physical attractiveness stereotype using dress as a facilitator
Hilda Mayer Buckley and James E. Haefner
359 Index to Volume 8
